FOR IMMEDIATE RELEASE

## Single Vehicle Major Traffic Collision

Date: August 4, 2013, 2:52 AM

Driver: Male Adult Pacific Islander (Name pending notification of family)

Location: Bolsa Chica Road and Churchill Avenue, Westminster

**Westminster CA-** On August 4, 2013, at approx. 2:52 AM WPD Dispatch received several 911 calls reporting a single vehicle roll over traffic accident on Bolsa Chica Rd and Churchill Ave. When officers arrived they located the driver and sole occupant, a male Pacific Islander unconscious and unresponsive. The OCFA responded and treated the driver for unknown internal injuries and he was then transported to UCI Medical Center in Orange in critical condition.

The WPD Traffic Division responded to conduct the investigation. The investigation appears to indicate that the driver was northbound on Bolsa Chica Rd at an unknown high rate of speed when he lost control of the vehicle. The vehicle, a silver Toyota Solara passenger car struck the center median and then struck a palm tree, shearing the tree from the ground. The vehicle then rolled over several times before coming to a rest on Bolsa Chica Rd.

The investigation is ongoing and Traffic Investigators are urging anyone who witnessed the collision to call the Westminster Police Department Traffic Division at 714-898-3315.

More information may be available at a later time.
